Re: I.T.B. # 6073 - HVAC Unit

Dear Council Members:

J-93-11-11

The purchase and installation of the HVAC unit is being undertaken to replace a 30 year old unit which is no longer able to be repaired. This will provide heating for areas that are currently inhabited by employees. The air conditioning portion will maintain proper temperature and humidity control to allow the operation of the computers that will be housed in this area once the installation is complete.

If you have any questions on this matter, I may be reached at (219) 427-1254.

Sincerely

A handwritten signature in black ink that reads "Sean M. Moore".
